

Recharging **Careers** and a **Clean Future** for Western Mass

Saturday | October 19, 2024 | 10 am - 2 pm
STCC Building 19 | 1 Armory St | Springfield, MA 01105

FREE & OPEN TO THE PUBLIC

- Half of all new vehicles will be EVs by 2030
- The US has a goal to be net-zero emissions by 2050
- Clean Energy careers are the fastest growing in the US

Join us to learn more about these careers, and how you can be a part of the clean energy transition.

Join STCC and Recharge America for a fun filled event focused on the economic growth coming to Springfield!

You'll have a chance to experience:

- EV Test Drives with local dealerships
- e-bike rides with New Horizons
- A Career Fair focused on clean energy, transportation and electrification
- Food trucks and more!
